Dear Martin

**Roads south of A67, Gainford  
Temporary Road Closure**

I refer to your application received 30 August 2023 relating to the above. I can confirm that the Durham Constabulary has no objection to the event. I can confirm that Durham County Council, as the Highway Authority, has no objection to the staging of Gainford Fireworks Display on Saturday 4 November 2023 effective between the hours of 17.00 and 21.00 hours providing that the following conditions are adhered to:-

1. The Organisers must ensure that the event is adequately marshalled and traffic managed appropriately.
2. Disruption to other users of the area should be kept to a minimum. Roads should be reopened as soon as it is safe to do so.
3. For safety reasons **Tees View, Waters End, The Green, Low Green, High Green, Low Road, High Row, High Row Side, Piggy Lane**, Gainford as marked red on the attached plan, should be closed to all vehicular traffic including pedal and motorcycles, but excluding access for emergency service vehicles whilst the event is in progress.

I now enclose for your attention copies of the Notice relating to Section 21 of the Town Police Clauses Act 1847.

May I take this opportunity to wish you success with the 2023 Gainford Fireworks Display.

Yours faithfully
